# Stunning weddings

With over 10 years of experience working with award winning stylists and wedding planners. Delivering beautiful bespoke cakes throughout the home counties,

## Deeply personalised

With an eye for detail and a passion for reflecting the heart of your wedding through beautiful personalised designs.

# Design consultation

I love to work closely with my clients to deliver a personalised design process. Listening to your story and creating the perfect compliment to your wedding day.

# A stress free choice

Taking all the anxiety out of decision making, and aligning all your ideas into a breathtaking design that truly resonates with the whole of your day.

# Flavour testing

Possibly the best part!

I offer taster boxes to all my clients to help them decide which flavours they really want to share with their guests.

# Novelty cakes

Did you want something a little less mainstream?

Planning an extraordinary event?

With a wide range of sculptural skills and creative designs, I can work a little magic to create something truly original and mindblowingly extraordinary for you.

# Alergies or aversions?

I can cater for most allergies and aversions and will happily work with you to find a way where everyone can celebrate and not feel left out.

## Brownies are the new cupcake!

You don't really like cake? Why not try a stack of luxury brownies instead?

Or some biscuits decorated to compliment your colours and theme. Perfect as place settings or favours.

## Have your cake ... or biscuit!

Not everyone likes the same thing, and that's OK!

You can order a selection of different flavour cupcakes so everyone gets to have their favourite flavour.

With a selection of cakes, cupcakes, decorated biscuits and brownies to choose from, There is something for everyone.

"The cake was fabulous, everyone admired your hard work. You tended to us very professionally and designed us the perfect cake really."

P & M

"Philippa, your cake was insane! Thank you so much. It was everything we hoped and imagined."

D & L

"I wanted something different, Philippa took the decision out of my hands and off the worry list... shes amazing."

P & E

# Forever Thankful

Testimonials from some of my beautiful couples.

"It was perfect and so delicious, a lot of compliments. Thanks for everything."

L

"The cake was divine. Surpassed all of our expectations"

workshops and lessons,  
and work with any specific  
theme introducing a range  
of skills and techniques.

## Hen parties

Learn to make beautiful  
bows, delicate flowers and  
some glamorous ruffles.

A fun and relaxed lesson  
suitable for all ages and  
abilities. A lovely way for  
all your girls to get to  
know each other.

Single tier cakes  
start from  
£100-£150

Larger tiered cakes  
start from an average of  
£200 per tier

# Pricing

## A sensitive subject!

I like to be as transparent as possible with my pricing, but each cake is always so different.

Hopefully this gives you a rough idea for my starting prices.

Lessons are priced at around £30 per person or £300 per group.

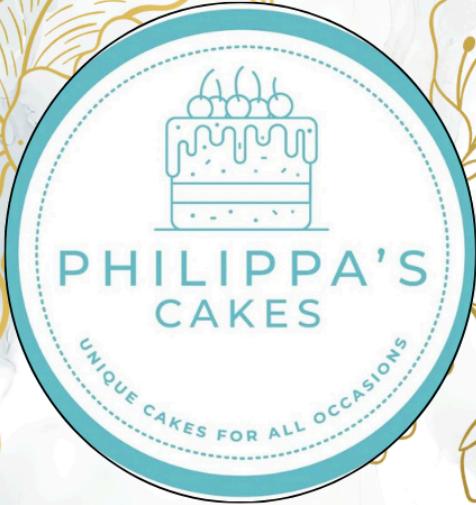

If you have a set budget to stick to then I can usually work with you to adapt a design to suit.

shaped and sculpted cakes start from £150-£200

Cupcakes start from £45 per dozen.

## What next?

Visit my website to for more details and to see my gallery of past projects.

Or simply send me an email to check my availability and we can arrange a discovery call and take it from there.

Then, if you are happy to commit, a deposit of £50 will get your date secured in my diary for the most fabulous cake of your dreams!
